Elk Point 4-H Beef Club presents the STARS steer

Ashley Bristow proudly leads the STARS steer into the auction ring at the St. Paul District 4-H Show and Sale last Monday evening, with a full escort of club members following behind. Levi Quist (second from left) and his family of 7 Pillars Ranch provided the feed and raised the steer, which was donated by Shamrock Valley Enterprises. The steer sold for \$12.50 per pound to Ronco Oilfield Hauling of Medicine Hat, providing the club with a record amount of just over \$18,000 to present to STARS later this month. The club's previous record donation to STARS was \$10,000 in raffle proceeds.

First Nations dancers will perform on Canada Day

VICKI BROOKER
Review Staff

The colourful pageantry of First Nations dancing that captivates crowds at powwows across North America will headline the program at Elk Point's Canada Day stage show. A group of Frog Lake's most talented dancers, featuring International Men's Traditional Special dance champion Zane Wade, and their outstanding drum group has confirmed that they will open the afternoon show with a 40-minute performance.

The stage show, which has been expanded to three hours in length, will also feature a return visit from Darryl Fraess and his Cross Country band, 2013 Canada Day Idol Olivia Rose, and performances by Elk Point Ukrainian Dance Club and the Filipino dance group.

The expanded afternoon show, which goes from 1:00 to 4:00 p.m., is part of a day that starts with a pancake breakfast hosed by the Friends of Elk Point

Municipal Library, an open house at the Elk Point RCMP Detachment, and the Canada Day Parade, led down the traditional route by youngsters on bicycles.

Along with the stage show, the afternoon will feature a variety of activities for children, including bounce castles and face painting. At 4:30 p.m., the focus will shift to the area behind F. G. Miller High School, for the Elk Point Survivor Challenge, with a whole new set of activities to challenge the participants. However, the committee has learned that there will not be a Strong Man Competition this year.

This year's food lineup lasts from the conclusion of the parade until almost time for the Canada Day Idol, starting off with the Elk Point Co-op's booth. The F. G. Miller Travel Club will be serving up food in the arena from 12 noon to 7 p.m., and there will be several outdoor booths, selling everything from bannock burgers and Indian tacos to Filipino food to ice cream cones during the afternoon, and of course, the Elk Point OORP will be serving their annual Canada Day cake.

District wins for Elk Point 4-H

Senior member Roy Tymko accepted the first place award in Senior Showmanship from Tracy Winterbottom of Servus Credit Union at the St. Paul District 4-H Show and Sale on June 2.

Junior member Kailey Wirsta won top honours in both the Junior Showmanship and Junior Grooming categories, accepting awards from Agland and Tri-Ag Implements, presented by Heather Tymko.

Lexi Wirsta was a close runner-up to big sister Kailey in the Junior Grooming, placing second for an award from Century 21 Poirier Realty, presented by Heather Tymko.

Goodridge steer named District Grand Champion

VICKI BROOKER
Review Staff

A handsome tan, 1,456-pound steer shown by Monica Mathiot, an Intermediate member of the Goodridge 4-H Beef Club, earned his proud owner the 2014 St. Paul District 4-H Interclub Grand Champion honours last Monday, winning the Prairie Tech Oilfield Services banner and the St. Paul District 4-H Council trophy.

The steer later sold for \$4.20 per pound to St. Paul and District Co-op.

The big red steer in second place, weighing in at 1,370 pounds, and shown

by Karlee Seguin of St. Lina 4-H Beef Club, earned the Shamrock Valley Enterprises Reserve Champion banner and the County of St. Paul No. 19 trophy and sold for \$3.60 per pound to Roland Seguin.

The winners were chosen by conformation judge Dave Durie from a field of 18 prime steers selected from nine weight classes. The Parade of Champions also included steers shown by Elk Point 4-H Beef Club members Levi Quist, Roy Tymko, Lexi Wirsta, Kailey Wirsta, Mathew McAnally, Macy-Ann Marcoux and Tulsen Wells.

Elk Point's RONA team added up the lowest score in Wednesday's tournament, their 63 edging out closest competitors, the Elk Point Oilmen's Association foursome. Left to right are Dustin Yaremkevich, Tyson Ballas, Robyn Moroziuk and Curtis Porcina.

Elk Point golfers swing for STARS

VICKI BROOKER
Review Staff

Elk Point Emergency Services held their annual golf tournament in support of the Shock Trauma Air Rescue Society (STARS) on Wednesday, with 14 teams participating and the event concluding well before the rain clouds rolled in.

"There were two close low scores," organizer Lyle Frisby announced when all the results were in, "but the RONA team are the winners with a 63." The Oilmen's Association team came a close second, with DOG Inspections third and one of the Elk Point Fire Department teams fourth. The Pain Relievers, a team of healthcare professionals, ended up with the highest score, but Frisby assured them that they are "improving every year."

Frisby said the tournament was a great success, due to the support of the

Elk Point Golf and Country Club, the volunteers, Servus Credit Union sponsoring the Hole in One, the companies, organizations and teams who were involved. "What a beautiful day, and what a lot of fun we had," he reported.

A series of six prizes went to golfers who excelled on selected holes, Tyson Stafford with the men's longest drive on hole one, Pam Ballas with the ladies' longest drive on hole eight, Lionel Cornell with the longest putt on hole five, Tyson Ballas coming closest to the pin on hole four and Richard Lameman closest to the pin on hole six, with John Renier closest to the hole on number one.

A number of door prizes were also distributed, but organizers decided to auction off four moose garden ornaments to add a little more to the STARS donation. Two of the ornaments went for \$210 each, one for \$200 and the final moose for a whopping \$465.

Their scores are improving every year, but the Pain Relievers still had the honour of bringing in the highest score in the STARS tournament. Left to right are Sandra Lavinger, Linda Dorey, Pam Ballas and Yvonne Hoyle.

SPERD approves budget

SUBMITTED COPY

The St. Paul Education Regional Division No. 1 Board of Trustees approved its 2014-15 budget at a meeting held May 29, 2014. The budget is based on an enrolment of 4,058 students and is forecasting overall expenses of \$56,276,438 with a deficit of \$552,890.

Secretary-Treasurer Jean Champagne indicated that the deficit is somewhat overstated in that it includes \$441,954 in spending from a larger school reserve distribution approved earlier this year. Adjusting for this, the regular operational deficit is only forecasted to be \$110,936. He cautioned that the budget makes several assumptions regarding enrolment and funding and that some

variation is to be expected.

The budget is essentially a status quo budget as most elements are unchanged going into next year.

The Board is concerned that funding for bus fuel increases has not been reinstated and is also worried that its mandate seems to be stretching further in areas related to health and social supports.

Superintendent Glen Brodziak stated that he was pleased no educational programs are being cut due to budgets. Overall, staffing numbers will be remaining relatively the same with a few additional hires in areas such as counseling and technology supports.

by Your Natural Choice Apple Drugs pharmacist, Seyi Oyebo

- How's your sunscreen supply? The shelf life for standard sunscreen products is three years but if it has been exposed to high heat during last summer, it may not be up to potency. It's good to replace it with some fresh product. Choose one with an SPF of at least 30 and labelled broad spectrum to protect against both UVA and UVB rays.
- One of the best anti-aging things you can do for your skin is not to overexpose it to sunlight especially during the middle hours of hot summer days. Use sunscreen lotion and clothing to protect your skin from the aging effects of sunlight.
- Those with lung conditions like asthma often use inhalers to help open the airways. These devices work well but only if the medication gets deep into the lungs. So proper technique is important. Metered-dose inhalers must be shaken well then breathed in slowly and deeply when the inhaler is pressed. By breathing in continuously minimizes the amount of medication that hits the back of the throat.
- The other type of inhaler is the dry powder inhaler where the force of the patient's breath moves the medication into the lungs. This type of inhaler comes as single-use or multi-use types. Remember, proper use of these inhalers is important otherwise the medication will not work efficiently.
- If you feel you aren't getting the most from your inhalers, see our pharmacists for advice. We'd be happy to check your technique and help you use them correctly.

The ‘heart’ part

Some people may wonder about the ‘heart’ part of the 4-H pledge, but it was certainly very much in evidence when the Elk Point 4-H members paraded their STARS calf into the sale ring last Monday night. They wouldn’t profit financially, but they were happy to be helping to finance a vital, life-saving service.

This calf, its feed and care were all donated by people who care about their community and its welfare. All the 4-H members taking part in the district show showed their support for one another throughout the day, as older members hurried to help younger ones who were having difficulty handling their steers.

The St. Paul club also showed their support of a former member when they announced they would all donate to a fund to assist her in her illness.

That’s the ‘heart’ of 4-H, shown in action.

Way Back When...

Grads and grand champions

HERE’S THE NEWS THAT MADE THE FRONT PAGES OF THE LAKELAND REVIEW AND THE ELK POINT REVIEW FOR THE WEEK OF JUNE 10 IN...

1984

Graduand Lorri Cardinal gave a poetic invocation, entitled “High School Days,” at Heinsburg School’s graduation, with 16 grads choosing Martha Mikalsky as their valedictorian for the occasion she called “A time of independence and farewell.”

1989

A beaming Angel Ference was crowned Miss Lakeland at the conclusion of a two-and-a-half-hour pageant in St. Paul. Rainfall was welcomed by the farmers, but disrupted a whole range of activities, from the Chamber of Commerce Farmers’ Day Barbecue to the Class of 1990’s fundraising softball tournament.

1994

James Babenek showed the Grand Champion steer and Tim Havener the Supreme Champion female at Elk Point 4-H Beef Club’s Achievement Day, with the reserve champions shown by Claudia Naber and Peter Danyluk. Kirsten Sanders passed the ceremonial colours to Grade 11 student Tanya Fayant on behalf of Heinsburg’s eight-member Class of 1994 at their Farewell Ceremonies.

1999

Melissa DeSilva showed the Grand Champion steer and James Babenek the Supreme Champion female at Elk Point 4-H Multi Club’s Achievement Day, with Babenek also showing the Reserve Champion steer and Peter Danyluk the Reserve Champion female. Heinsburg’s five graduates were the school’s first class to wear caps and gowns and the first class where every one of them had the ability to graduate.

2004

Jessica Wirsta showed the Grand Champion and Matthew Robinson the Reserve Champion steer, Janice Tymofichuk the Supreme Champion and Shaun Robinson the Reserve in the female classes at Elk Point 4-H Multi Club’s Achievement Day. The final total wasn’t in, but organizer Fred Lambright estimated that the Fifth Annual STARS Golf Tournament would yield at least \$14,000, “probably closer to \$15,000” to support the air ambulance service.

2009

Main Street was a gallery for transportation with 45 vehicles, from a go-kart racer to a vintage fire truck on display for the Elk Point Auto Club Show and Shine. Heinsburg Community School’s three graduands took “Take a risk, Take a chance, Make a change... Break away” as the theme for their Farewell Ceremonies.

HISTORICAL HIGHLIGHTS

Discouraging words in fall of ‘81

ELK POINT HISTORICAL SOCIETY
Review Contributors

As the summer of 1981 turned to fall, Elk Point was discouraged to hear from provincial Hospitals Minister Dave Russell that the future Elk Point Nursing Home was still under consideration, but no definite decision had been made yet, and that only 14 of 80 proposed projects had been given the go-ahead.

No decision had yet been made on the site for Elk Point’s new airport, which would require enough level land between two and five miles from town to accommodate a 3,400-foot runway. The airport commission’s preferred site beside the golf course did not fit those criteria and also did not line up with prevailing winds.

Cabin owners at Whitney Lake wouldn’t have to move for a while, as plans for a provincial park were delayed, and even when they were finalized, it could take three to five years to complete the first phase of the project, the Ross Lake campground.

Over 400 angry cow-calf and feedlot operators packed Bonnyville Auction Mart to discuss the financial plight of Alberta’s beef producers, in one of a series of meetings held across the province in an effort to present a united front of farmers to push for a \$40 per head, one-time support payment from the federal government.

October

With the addition to Elk Point Elementary School nearing completion, many groups had expressed an interest in obtaining space in the former Early Childhood Services Centre when the ECS classes moved up the hill. “I personally think there will be no difficulty accommodating everybody,” said Town Administrator Pat Vincent. A committee was set up to look into the cost of renovating and maintaining the building, and to determine how much of that cost would have to come from the user groups.

Repairs on the Elk Point Bridge, damaged by fire

The Elk Point Review publishes a variety of opinions as a contribution to debate on matters of public concern. Unsigned editorials express the view of this newspaper’s editorial board which includes the Publisher and the Editor. Signed pieces express the view of the individual writer.

in a July 30 truck crash, were complete and traffic was returning to normal, with good news for the future coming from MLA Charles Anderson, who said that construction would start in 1983 on a multi-million-dollar open span bridge.

The site for Elk Point’s new airport was finalized, or was it? The Aviation Branch said the purchase of 104 acres east of Elk Point had been okayed, but the landowner denied that there was any deal at all.

December

The Alberta government announced a support program for the province’s beef and sheep industries, with a one-time, \$50 payment per head on 90 per cent of the bred cow and bred heifer herds, \$4 per hundred-weight on backgrounder or slaughter cattle and \$10 per slaughter lamb sold between Dec. 31, 1980 and Nov. 30, 1980. The Alberta Cattle Commission called the payment “a very clear indication of the importance of the beef products to our province’s economy.”

Local snowmobile enthusiasts were grumbling about a tough new bylaw put into place earlier in the year by town council that provided fines for anyone caught driving a snowmobile within town limits, no matter where they were going. It replaced a bylaw that allowed snowmobiles to use back lanes to get out of town by the shortest route as long as they didn’t exceed 15 MPH and didn’t operate between 10 p.m. and 9 a.m.

Town council spent most of their meeting with three delegations, first with a developer discussing cost sharing on storm drainage on then 54 Street, secondly with Elk Point Gas, discussing written service agreements, and finally with a group of Circle Drive residents complimenting the town on their snowmobile bylaw, which they felt would stop those using the ravine between Circle Drive and Ravine Drive as “a snowmobile drag strip.”

Seventeen Elk Point nurses were affected by a United Nurses of Alberta vote to strike if a contract settlement wasn’t reached by Jan. 1, 1982. The nurses were seeking raises from \$10.09 to \$13.50 per hour at the bottom of the pay scale and from \$11.79 to \$17.50 for nurses with five or more years of experience, and while the Alberta Hospital Association offered to meet the lower amounts, they offered a maximum of \$13.44 at the top end, with 50-cent raises for both on July 1. The Elk Point local voted to accept the offer.

County FCSS celebrates Seniors' Week

County of St. Paul FCSS representatives Janice Fodchuk, Katie Webber and Irene Pilisko were joined by Mary Jane Tkachuk of Alberta Health when they visited Heinsburg's seniors' centre last week, bringing along a tasty lunch for everyone to enjoy. The ladies also reported that plans are underway to hold their annual Seniors' Christmas celebration in the Heinsburg Community Hall this year.

YOUR OPINIONS

Seniors: unite and be heard

To Seniors living in St. Paul and area,
In the June 3rd edition of the Journal there was an advertisement for the Alberta Council On Aging (ACA) annual AGM which will be held on June 13th at the Centennial Seniors' Centre in St. Paul. The ad states that the Associate Minister responsible for seniors and a manager from Alberta Health Services will be in attendance to present their platforms, **LISTEN TO CONCERNS AND ANSWER QUESTIONS!**

I therefore submit that it is very important for citizens from our community to attend so that we can make these people aware of concerns we have about important matters in the life of seniors living in rural Alberta. Matters such as healthcare, home care, transportation, public utility costs, among others. We should attend not only bringing forth our complaints (Lord knows we'd be there for a week at least) but suggestions as to what our needs are

and possible ways that these needs can be addressed.

For us seniors, it is really important that we become adamant about the how and why of the services we require so that we can enjoy happiness during the "ninth hole" of our lives.

Although they won't admit to it readily, most elected officials and the vast majority of the bureaucracy that is supposed to serve us are not seniors! And furthermore they have absolutely no idea what life is like for seniors in rural Alberta, especially when it comes to matters as stated above. We know that providing services is expensive, but we cringe at the waste fostered by the current management models.

Let us unite and make our voices heard, few opportunities exist where we may influence some matters that are so important in our lives.

Provincial Sox teams face stiff competition

The sky was very scary and black at times and heavy rain and hail pounded at one point, but with a couple of short rain delays, the games went on, when the Pee-wee Sox hosted a provincial round robin this past weekend.

The Sox would win their first game on Saturday easily by the ten-run mercy rule over Fort Saskatchewan. Bonnyville product Landon Vasseur going for the full 80 pitches, virtually shutting down the Red Sox while our home town boys would pound the ball in this one.

The bats were hot and everyone on the team was hitting. The "Babe" Cody Fairbairn not only com-

ing in on relief pitching, but also driving in three with his second in-the-park -home run of the season. And if you have every seen the "Babe" "run you know he has to hit the ball all the way to the fence because he isn't the fastest guy on the planet. But the speedy little rookie right fielder Aiden Styba-Church is fast and was chosen by the Fort as the MVP for the game. It was an easy win for the Sox but not without some very good defensive plays by second baseman Dalton Reed and outfielder Graham Broda

who can also really hustle and track down a ball.

The second game running a bit behind starting at 6 p.m. was somewhat of a different story. Kaiden "K Rock" Evans Anderson getting the call to start this one, throwing strikes but the team not able to field the ball, the Edmonton North Stars with some nice base hits through the gaps and the Sox bobbling the ball a few times. But the biggest problem was not the fielding, it was the sticks, the boys' bats just died in this one. But you have to give the Edmonton North Stars credit, they had one heck of an awesome pitcher on the mound and he went almost a complete game and was throwing a whole lot harder than the in the Sox first game. Lots of times a team can win with great pitching. This may not be the majors but it's the same story, you can win ball games as long as you have good pitching and, of course, hitting. The Sox managed to get a few runs after their starter maxed out but could never catch up, the game going the full seven innings, the Sox losing by

ten in the end. "K Rock" winning the MVP in this one.

You couldn't write a better script than the next day. Whitecourt Rockies defeated the Edmonton North Stars in a close one on Saturday and then would mercy the Fort on Sunday morning and was looking to make it a sweep with a win over the Sox on Sunday afternoon. The Sox shaking off the loss and looking to bounce back from the night before sending their ace Corbin "Crusher" Ockerman to the hill. "Crusher" not having his best day by still pitching OK against a very good team, going for full five innings, the Sox finding themselves down by ten runs at this point in the bottom of the fifth inning and if they didn't score at least a run, the mercy rule would come into effect and game would be over. Rally cap time for the Sox, not one, not two, but seven runs they scored to close the gap to within three. Cold Lake chucker Grady Frazer coming in of relief firing strikes in the sixth and holding them to one, and then the closer Braden "Magnet" Fairbairn shut

the door in the top of the seventh. Bottom of the seventh lead off batter Ty Smereka walks, "K Rock" singles, the "Babe" is hit by a pitch, Landon singles, driving in one, "Crusher" at the plate, full count, two out, time to close your eyes and cross your fingers. The Sox walking in the winning run! Does it get any better? Never! "Crusher" the MVP in this one was a great choice!

The Sox won two out of three for the weekend, and as Meatloaf would bellow out in his song, "And two out of three not baddddddddddd!"

On the road again, the Bantam Sox played in Spruce Grove this past

weekend in a provincial round robin, losing a very close one against Drayton Valley on Saturday. Nicholas "KKK" Tucker and Kyler Carlson pitching great in this one. "Awesome Alex" Hunter with two singles and a walk, Nick Tucker with a single, Matthew "Big Red Machine" Nahiriak on base with two walks.

On Sunday Denver Budzilka and Dustyn "Dust Pan" Pankiw pitching against Heisler, some more great pitching but this one was not quite as close, the Sox committing lots of fielding errors. Heavy hitter Nick Tucker with two singles and a triple, two more singles for "Awesome Alex" Hunter.

Board Chair, Heather Starosielski, said the Board budget priority remains allocating resources to support students and learning. "Although from a dollars and cents point of view it is a status quo budget, we are not standing still and have many initiatives in place going forward. Class size and pupil teacher ratios are still very favorable and are evidence that the Board values having teachers there for students. The Board is concerned that over the longer term provincial funding may be outpaced by rising expenses but is pleased that past prudent budgeting has provided reserves to provide stability in the near term."

Director of Emergency Management (DEM)

OVERVIEW:
Under the direction of the Emergency Advisory Committees of the County of St. Paul, Town of St. Paul, Town of Elk Point and Summer Village of Horseshoe Bay, the DEM plans, organizes and directs the Regional Emergency Management Plan for the municipalities; acts as the regional representative on all emergency management matters; and coordinates activities of the Regional Emergency Management Agency. This position will be located at the Town of St. Paul Administration Office. Initially the position will be full time for 1 year at which point the position will be evaluated. Should the person have capacity, other regional duties may be added, or duties as per the CAO of the Town of St. Paul that relates to the Town.

DUTIES:

- Prepare and co-ordinate the Regional Emergency Management Plan for the municipalities.
- Act on behalf of the Emergency Advisory Committee(s), and coordinate all emergency services and other resources used in an emergency. In his/her absence, the Deputy Director will act in this capacity.
- Coordinate activities of the Regional Emergency Management Agency.
- Establish, maintain and act as Director of the Regional Emergency Coordination Centre (ECC), upon activation of the Regional Emergency Management Plan.
- Coordinate maintenance and annual review of the Regional Emergency Management Plan.
- Coordinate public information programs to keep all local residents informed about emergency management activities.
- Assess the need for and coordinate necessary training to support the Regional Emergency Management Plan.
- Coordinate exercises to test the Regional Emergency Management Plan, and ensure a process of continuous improvement.
- Keep the Emergency Advisory Committee(s) fully informed of emergency management activities (e.g., Status Reports, as required within the Regional Emergency Management Plan).
- Liaise with provincial emergency management authorities (AEMA District Officer).
- Perform other emergency management duties as prescribed by the Emergency Advisory Committee(s).

QUALIFICATIONS:

- Knowledgeable or certified in the Incident Command System (ICS).
- An emergency management and/or emergency response background would be desirable.
- Knowledgeable of the structure, functions, objectives and interrelationships of federal, provincial and local governments, as it pertains to emergency management.
- Good team building, coaching and communication skills.
- Ability to evaluate situations and exercise good judgment in making decisions.

Remuneration will be negotiated based on knowledge and experience of applicant.

Interested applicants are invited to submit their resumes by June 20, 2014 to:

4-H Multi set to show

PARKER ALLEN
 Club Reporter

The Elk Point 4-H Multi Club is winding up with it's year end Achievement Day! All the 4-H ers are super excited for the show, come out and see the displays on what the multi-club has been doing this year! See some exciting canine demonstrations as well as the sheep show, craft displays and other exciting things! Viewing is at five and the show will be at six. We hope we will see you there!

District 4-H

(Continued from Page 2)

Other steers in the Parade of Champions were shown by St. Paul 4-H Multi Club members Kennedy Hebert, Meagan Wirsta and Kristina Kotowich, Goodridge members Tyler Mathiot, Amanda Mathiot and Sydnee Kwiatkowski and St. Lina members Kallie Delainey, Brooke Corbiere and Danika Locke.

The Parade of Champions followed a long day that began with a Pen of Five competition, club and individual judging, the weight classes and grooming and showmanship competitions for each of the three age groups. Winners, with prize sponsors in brackets, were:

Pen of Five (TD Canada Trust, St. Paul) - 1. St. Lina, 2. St. Paul.

Club Judging (St. Paul Municipal Seed Cleaning Assn., Evergreen Stationers, Wozniak Fuel Sales) 1. St. Lina, 2. Goodridge.

Individual Judging (Sunshine Video): Junior - 1. Cameron Kuzma, 2. Brooke Kotowich, both St. Paul; Intermediate - 1. Brooke Corbiere, 2. Bradley Dubrule, St. Paul; Senior - 1. Jared Dechaine, 2. Brett Seguin, both St. Lina.

Card judging results were tabulated by Leila Hickman and Terry Holmgren.

Grooming: Junior - 1. (Tri-Ag Implements) Kailey Wirsta, 2. (Century 21 Poirier Realty) Lexi Wirsta; Intermediate - 1. (Lakeland Family Eyecare) Kristina Kotowich, 2. Megan Kotowich, St. Paul; Senior - 1. (Master Feeds) Jazlyn Beaudin, St. Paul, 2. (Caouette and Sons) Meagan Wirsta.

Showmanship: Junior - 1. (Agland) Kailey Wirsta, 2. (ATB Financial) Cameron Kuzma; Intermediate - 1. (Terry Holmgren) Megan Kotowich, 2. (TD Canada Trust) Devan Bailey, St. Paul; Senior - 1. (Servus Credit Union) Roy Tymko, 2. (ATB Financial) Jazlyn Beaudin.

Showmanship and Grooming were judged by Adele Walsh. This year's Rate of Grain trophy from Master Feeds and award from Smyl Motors went to Stephanie Bilodeau of Goodridge, whose 1,460-pound steer gained 3.726 pounds per day.

The Stall Display trophy sponsored by HiPro Feeds Ltd. went to Goodridge, with St. Lina placing second, with The Spur doing the judging.

Mistress of ceremonies for the show was Shaina Vallee, with Guy Brousseau and Edith Fontaine as the ringmasters and Brousseau, Ron Wirsta and Real Corbiere as weighmasters.

Just prior to the sale that followed the show, the St. Paul club members entered the ring as a group, and announced that each member of the club would be donating a portion of their steer cheque to former club member Kennedy Austin, who is suffering from a serious illness.

The auction was conducted by Western Pride Auctions, who sold 59 steers at an average price of just over \$3.24 per pound. Two steers were not included in the calculations. The STARS steer, donated by Shamrock Valley Enterprises and with feed and raising provided by 7 Pillars Ranch, which was escorted into the ring by the entire Elk Point club and sold for \$12.50 per pound to Ronco Oilfield Hauling of Medicine Hat, yielding just over \$18,000 to be donated to the air ambulance service. The average also excluded a steer that sparked a brief bidding war and sold for a previously unheard-of price of \$60 per pound to TLL Oilfield Consulting of Edmonton. The purchaser then donated the calf to Haying in the 30s Cancer Support Society.
